Opti Board Product Overview

The Stefano Orlati OptiGlaz and OptiMatt board range offers interior designers, specifiers and architects a selection of high gloss and matt doors and panels to beautifully finish any kitchen or room design.

- OptiGlaz high gloss acrylic board is bonded to select grade MDF substrate using PUR hotmelt lamination technology
- OptiMatt PET board is manufactured from thermoformed Polyethelene Terephthalate for a safe, non-toxic, strong and lightweight material that is 100% recyclable
- The Opti Board range is available in sheets or can be prefabricated to your specifications
- Colour-matched edgebanding available → see page 6.3

OptiGlaz

Gloss Acrylic Board

Designed for vertical surface applications, OptiGlaz offers an easy-clean, superior high gloss mirror-like finish for drawers, door fronts and joinery.

Doors & Panels

Alifrost® Aluminium Framed Doors & Drawer Fronts

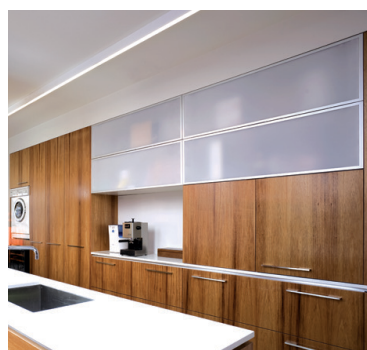

Product Overview

- Alifrost® is a range of aluminium framed Perspex®, 3D gloss acrylic, glass & Alimesh® doors & panels
- Alifrost® offers a modern look with an exclusive range of European designed frames combined with the latest decorative insert options
- 10 year guarantee applicable on all genuine Perspex® inserts
- Easy maintenance – when supplied with a Perspex® Frost insert, Alifrost® doors have a unique “anti-fingermark” finish reducing the need for cleaning
- When inserted with Perspex® & 3D acrylic gloss Acrylic, Alifrost® doors are ultra hygienic making them ideal for food preparation areas
- Alifrost® doors offer superior impact resistance over glass when used with Perspex® inserts
- Alifrost® doors with Perspex® are lightweight (half that of glass doors), making them easier to use & less stress on hardware components particularly for larger doors
- Environmentally friendly – the two main components of Alifrost® doors, aluminium & Perspex® are fully recyclable

Product Applications

- Kitchens/bathroom doors, drawers & lift up panels
- Vanity mirror cabinet doors – meets Australian Safety standards
- Alfresco kitchens - Perspex® is guaranteed for 10 years for exterior applications
- Entertainment units
- Speaker covers - Alimesh® inserts only
- Wardrobes
- Caravans
- Room dividers
