

PVD RANGE

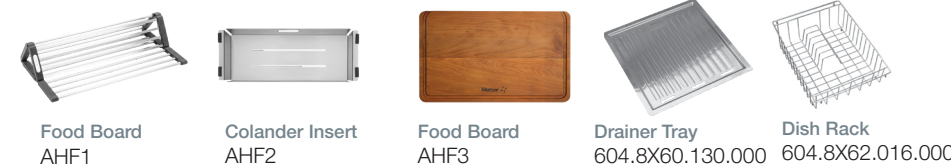

Features:

- 1.2mm, 304 Grade Stainless Steel
- Hand fabricated with main bowl overflow
- Satin finish
- 10mm corner radius
- 90mm round basket waste
- 25mm flat flange

A stainless steel sink, the PVD range is coloured using one of the most environmentally friendly colouring processes for a very hard and durable coating. Available in Gun Metal, Copper and Brass with matching base grid.

Premium Sinkware

Style for any taste

In partnership with Acero, Titus Tekform is proud to distribute the expertly crafted, market-leading Mercer sinkware range. Whether it's a hand fabricated sink, composite or coloured stainless steel bowl, there is a Mercer sink for every application.

The Inspire premium range represents the top end of innovatively designed and sourced products to fit with today's evolving lifestyles and design trends.

- 25 Year Warranty**
We take pride in the fact that we stand by our products, this icon indicates the limited warranty period on your sink.
- Under Mount**
Your sink is able to be under mounted to your bench top.
- Sink Corner Radius**
This indicates the corner radius of your Mercer sink.
- Top Mount**
Your sink is able to be top mounted on your bench top.

ADD A SPLASH OF COLOUR

A range of PVD coloured stainless steel taps are available in Brass, Copper and Gun Metal.

Add a matching tap to add a splash of colour to your space.

Coloured drainers available on request.
